About Me

As a technology enthusiast with a strong interest in cloud technology and the latest advancements in the field, I have developed skills in AWS and Azure, and have a solid understanding of Java and basic knowledge of Python. I am passionate about leveraging cloud infrastructure to bring innovative solutions and am a continuous learner, always exploring new technologies and best practices to improve my skills.

Internships

Internship program launched by Microsoft
Cloud learnr (Dec 2021 - Feb 2022)

we have to develop and deploy an application in Azure. Main focus was to give hands on and basic understanding of cloud computing. and I have deployed my first cloud application under their guidance.

Internship at Halloclub
Community Builder (April 2022 - Jan 2023)

I was working with core team and I was providing some technical resources (like custom webpages) along with that I was handling E-mail campaigns and building strategies for outreach.
